

PALLADIO TESTIMONIALS

I am so happy to have chosen Brett Omara for my wedding. She beautifully played classical music during my ceremony and then more modern music during my cocktail hour. It is so impressive the sounds she is able to pull off. I had multiple compliments from guests and Brett was completely professional. In a world of wedding rip offs, Brett provided an awesome job that was very affordable and well worth it.

Hi Brett! Thank you so much for playing our wedding at Cinnamon! You were amazing, and everyone raved about how beautiful your music was! I am sorry I didn't get to talk with you to thank you in person. It was quite a crazy day with the rain and all, but it was perfect in its own way! Your special touch will always be remembered in our hearts!

Vic and I wanted to thank you so much for the beautiful music you played at our wedding on Saturday. You really helped set the tone for a moving ceremony and we are so grateful. I'm sorry we did not get more of a chance to interact on the big day. We were a little preoccupied... J Thanks again for everything! It was wonderful.

Thank you so much for being a part of our wedding celebration. The classical pieces during the ceremony were beautiful and the fun pop

songs during the cocktail hour and dinner were great! I loved the duets with Hunter on the piano and vocals and you on the violin.

You

were prompt and professional and fit seamlessly into our special day!
